

Why a Needels Career

Achieve Your Goals

Are you tired of working hard and not being rewarded for it? We believe in rewarding our team members for their efforts. We have a unique wage system that gives bonuses for helping serve our customers and deliver results.

Equal Opportunity

Needels is an equal opportunity employer. Needels pledges to provide equal opportunity to all persons regardless of age, race, color, sex, sexual orientation, religion, national origin, physical or mental disability, or status with regard to public assistance; and to disabled veterans, and veterans of the Vietnam era, and any other status or condition protected by state or federal law. Needels will provide reasonable accommodation to qualified persons with a disability that substantially limits a major life activity, but who are otherwise able to perform the essential functions of the job.

Comprehensive Training

We hire smart people with the ability to learn. We have a unique training program in place that makes it easy to learn new skills. If you have an interest in a career area without previous experience, we'll give you the experience you need.

Employee Purchase

Needels produces about half of the cleaning products we ship. To help you become acquainted with these products, we have a program that gives you the opportunity to take home and use top cleaning products and equipment.

NEEDELS SUPPLY
Generations of Cleanliness, Dedication, Value, Knowledge and Fun

Who Is Needels?

Since 1942 Needels has provided solutions for janitorial and maintenance professionals. Flexibility, knowledge and dedication to janitorial professionals are what sets us apart from other cleaning supply

options. About 40% of what we ship is engineered and hand crafted in our production facilities. Our streamlined system tracks and evaluates product usage, calculates future needs, maintains the right product levels and minimizes waste.

Needels combines generations of experience, dedication and technology, to strengthen the future of customers, employees, and vendors.

We're Established

E.A. Needels started business in 1942. Since our humble beginnings, we've just about seen it and survived through it all. We're committed to serving the needs of the Midwest for generations to come.

We're Convenient

Needels has been centrally located since the mid fifties. We're right in the middle of the Twin Cities metropolitan area. Many people appreciate the fact that we're only 200 feet from several freeway entrances and several major bus lines.

We're Friendly & Fun

Our customers know us as real people who care. The great thing is we have fun while doing it. We understand that you have many work options. Many times during the year we have cookouts, luncheons, outings and events.... We're even planning a company paid trip to Mexico. If you're a friendly and fun person, we have something in common.

We're Dedicated

Over the last 60 years we've proven our dedication to the needs of our team. We're proud of the fact that we've never "restructured" (laid off) any staff.

We're Fair

Are you tired of working hard and not being rewarded for it? We believe in rewarding our team members for their efforts. We have a unique pay system that gives bonuses for helping serve our customers.

We're Progressive

In this computer age, it's important to stay abreast with what's going on. Our fast-paced world requires a dedicated approach to technology that assures a leading-edge position into the future.

We're Ethical

The biggest cornerstone we demonstrate to our customers and staff is doing what's right. We use this measure when making decisions. We're proud of our reputation for fairness, honesty and integrity.

We're Exciting

Most people wouldn't think shipping soap to be an exciting industry. Our unique combination of expert knowledge and training makes it possible for us to stay on our toes dedicated to the needs of cleanliness professionals.

We're Flexible

We understand that you have a life outside of work. We believe in being flexible. We work with our team to ensure that their outside life stays on track.
